Design Approval Sheet

Campaign: Democratic Development

Design Name: Our Constitution in Film

Potential Products: Film Contest

- This project involves the planning, coordination, advertisement, funding and execution of a Film Contest that encourages citizens to use the words written on section two of the Constitution as inspiration to create a film that embodies the expectations and hopes of the citizens of Iraq. Ultimately, the film participants would make it possible for the general population to learn more about the rights and liberties as stated in the Constitution and the human values embodied in each of its articles.
- This project is being developed in coordination with the National Media Center
- Project will be funded by MIST.
- Concept paper that explains every aspect of this event developed in conjunction with the National Media Center.
